1. College Overview

Glasgow Caledonian New York College (GCNYC) was founded by Glasgow Caledonian University (GCU), a vibrant, innovative and multi award-winning University for the Common Good. GCU traces its roots to its science college in Glasgow which was established in 1875.

At GCNYC we strive to offer business-solution driven, research-based degrees with a hands-on, practical approach to programming that transcends the traditional practices of higher education. Our mission *For the Common Good* drives the entire community and is exemplified by the staff and student body across all academic schools and departments.

The programs offered at GCNYC include an MS in Sustainable Fashion, an MS in Business for Social Impact and Sustainability, MS in Diversity, Equity and Inclusion Leadership and an MS in Risk, Resilience and Integrity Management. Each degree centers around profitable sustainability and operationalizing systemic change at scale.

The campus for Glasgow Caledonian New York College is located at 64 Wooster Street, in NYC's historic SoHo Neighborhood. The facility includes offices, classrooms, student study areas and event space.

The College currently enrolls approximately 36 students who attend evening classes either on-campus or online.

2. Annual Security Report

2.1. GCNYC will publicly release an Annual Security Report (ASR) on or before October 1 of each year. The ASR will include a copy of all crime and safety related policies, practices, and a report on the safety of the campus for the three previous years. GCNYC will also file a certificate of compliance with New York State Education Law article 129 on or before the 1st of October each year. The Vice President & Provost of GCNYC, or the Title IX Coordinator will be responsible for this report.

3. Security and Access to College Facilities

3.1. General Access to College Facilities

GCNYC is committed to working with all members of the community to ensure that our campus facilities are as safe and secure as possible. Generally, the GCNYC campus is open Monday-Friday from 9:00 AM to 6:00 PM, hours are extended on evenings when classes are in session (typically Monday-Wednesday) until 10:00 PM.

GCNYC does not have a proprietary police or security department. The College hires contract security personnel to work in the College's campus on the ground floor and lower level of 64 Wooster Street during evenings when classes are in session from 5:00 PM to 10:00 PM. Students and faculty entering the building must present a GCNYC ID card at the security desk.

The front doors remain locked when security personnel are not present and GCNYC staff and most faculty have access to the building via a key card. The front doors remain locked with the exception of 5:00 PM to 8:30 PM during evenings when classes are in session and security personnel is present.

GCNYC periodically hosts daytime and evening events. GCNYC hires security personnel during these events if the guest count exceeds 50 people. If the guest count meets or exceeds 100 people, two guards are hired to have one at each fire exit. Security personnel's responsibilities also involve providing general assistance to students, employees and visitors and securing the premises before closing the building.

3.2. GCNYC Security

The GCNYC security staff are not sworn officers, but staff members from a contracted service, holding security guard licenses. None of the security personnel at GCNYC have the authority to make arrests. Unless they are present during an incident or an incident is reported directly to them as a CSA (Campus Security Authority), they are not part of any investigation nor are required to write up reports.

While there is no proprietary police or security department at GCNYC, institutional representatives do work with the New York Police Department (NYPD) as needed and the College will continue to build relationships with local precincts as the College grows.

3.3. Identification Cards

All employees (staff and faculty) and students are required to carry a valid GCNYC photo identification (ID) card. During class evenings or events, they will be asked to present their ID card to security. The replacement fee for an ID card is \$25.

3.4. College Issued Key Cards

GCNYC staff and certain faculty have a key card which unlocks the College's front doors. The Director of Operations and Office & Events Manager are responsible for issuing key cards and managing record keeping. The loss or suspected loss of a key card must be reported to the College immediately.

The Director of Operations and Office & Events Manager are also responsible for managing the key card access system. They can schedule time frames to unlock the doors and can review the campus access history.

3.5. Visitors

During general business hours Monday-Friday 9:00 AM to 6:00 PM, visitors are allowed entrance via an intercom system, must announce themselves at the front desk and wait until the employee they are visiting comes to meet them.

During periods when security personnel is present, expected guests will need to be on a guest list to be verified for entry.

4. Video Monitoring

- 4.1.** The College's premises are monitored by video systems for the purposes of campus security and safety, the protection of property and the prevention and detection of crime. Video footage may also be used for investigations or proceedings arising under the College's regulations, codes and policies.

5. General Procedures for Reporting and Investigating a Crime or Emergency

- 5.1.** Community members, students, faculty, staff, and guests are encouraged to report all crimes and emergencies, in an accurate and prompt manner, directly to the NYPD by dialing 911. During normal business hours, we encourage people reporting a crime or emergency to the NYPD to also report the incident, as soon as practicable, to GCNYC's Title IX Coordinator, a CSA or other College official, and complete an incident report (copies available from the Title IX Coordinator or any other CSA.) Crimes should be accurately and promptly reported to the appropriate police agency, when the victim of a crime elects to, or is unable to, make such a report.

Members of the community are helpful when they immediately report crimes or emergencies to the NYPD and/or to the College's Title IX Coordinator, CSA or other College official, for purposes of including them in the annual statistical disclosure and assessing them for issuing Emergency and Timely Warning Notices, when deemed necessary.

Title IX Coordinator: 646-768-5357 or titleixcoordinator@gcu.ac.uk

- 5.2.** In response to a call, the NYPD takes action it deems appropriate, generally either dispatching an officer to the caller's location or asking the caller to report to the nearest NYPD precinct to file a report. The NYPD is responsible for the investigation of any reported

crimes and other public safety emergencies. If assistance is required from the New York City Fire Department, they will be sent by the 911 dispatchers upon receiving an emergency call.

- 5.3. Our published materials for students, staff and faculty reflect our policy that the decision to report a crime is an individual choice; that the College commits itself to not revealing any details which would make victims or witnesses identifiable and provides ways in which individuals can confidentially make reports.
- 5.4. The College Catalog contains information about on- and off-campus resources (Appendix A) and is made available to all GCNYC community members. The information regarding “resources” is not provided to infer that those resources are “crime reporting entities” for GCNYC. Crimes should be reported to NYPD officials and GCNYC as described above to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.
- 5.5. Reports to professional counselors and pastoral can be kept confidential. Professional and pastoral counselors (Note: GCNYC does not currently have pastoral counselors) are encouraged to inform their clients, if and when they deem it appropriate, of the procedures to confidentially report crimes to CSAs, when they deem it appropriate. Any Clery category crimes will be counted in the annual disclosure of crime statistics.
- 5.6. All incidents of Title IX Sexual Harassment will follow the Department of Education’s Title IX Final Rule regulations issued in May 2020. These regulations include but are not limited to, investigating a formal complaint, investigations, hearings, standard of evidence, appeals and informal resolutions. These regulations can be found at the following link.
<https://www2.ed.gov/about/offices/list/ocr/docs/titleix-comparison.pdf>

5.7. Types of Disciplinary Proceedings Utilized in Cases of Alleged Domestic Violence, Dating Violence, Sexual Assault and Stalking

The process by which GCNYC College investigates and adjudicates reports of sexual misconduct and violence is outlined below.

- i. When both the reporting and responding parties are students, the process will follow the diagram represented in Appendix C. Further detail is described in the Code of Student Conduct.
- ii. When both the reporting and responding parties are employees of the college, the process will follow the diagram represented in Appendix D.
- iii. When the reporting party is an employee of the college, and the responding party is a student, the process will follow the diagram represented in Appendix D. Further detail is described in the Code of Student Conduct.
- iv. When the reporting party is a student, and the responding party is an employee, the process will follow the diagram represented in Appendix D.

6. Protection from Retaliation and Intimidation

6.1. Retaliation against any member of the GCNYC community who files a report on sexual misconduct or violence is strictly prohibited. Likewise, intimidation of anyone who files a report or any witnesses to an incident is strictly prohibited. Members of the GCNYC community found to have engaged in retaliation or intimidation, will be subject to disciplinary action that can include suspension, expulsion, separation, or termination from GCNYC.

7. Campus Security Authorities (CSA's)

7.1. In compliance with relevant regulation (including the Clery Act, the Violence Against Women Act, Title IX, and New York State Educational Law articles 129-a 129-b), the Vice President & Provost of GCNYC, or the Title IX Coordinator, are responsible for identifying those faculty and staff who qualify as "Campus Security Authorities." The Vice President & Provost is also responsible for issuing a letter to each of those individuals informing them of those responsibilities and informing them of scheduled training session. Training sessions are scheduled within two weeks of the beginning of Trimester A; letters to CSAs are sent at least two weeks prior to scheduled training dates. Individuals hired in at other times during the academic year whose roles require that they be CSAs will receive their letter informing them of that status and their responsibilities when they are appointed, and the training will be incorporated into their induction. A copy of our Clery Handbook is kept in the Title IX Coordinator's office.

9. Information in Warnings and Notifications

- 9.1. Upon confirmation of a significant campus emergency or dangerous situation, GCNYC will without delay, taking into account the safety of the community, determine the content of and send out the notification unless the notification will, in the professional judgement of responsible authorities or upon conferral with the emergency responders, compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

Information in direct communication should never release identifiable information about individuals but should provide appropriate information to allow others to be safe and to avoid potentially dangerous situations.

First notifications will provide specific actions (i.e., do not come to campus) and indicate that there will be a follow up message with additional information within 24 hours.

Within 24 hours, the college officer who sent out the message will provide an explanation or resolution; suggest specific follow up actions, or ways to achieve assistance or accommodation based on potential results from the situation; and update

of the situation or incident if continuing.

10. Campus Safety and Security Programs

10.1. Each New Student Orientation and employee onboarding will cover:

- i. The Code of Student Conduct and/or the Staff Handbook
- ii. Appropriate campus safety/security procedures and practices including fire safety and emergency procedures
- iii. Definitions of important terms including 'consent' to sexual activity in the applicable jurisdiction
- iv. Reporting structures
- v. Description of safe and positive options for bystander intervention
- vi. Information on crime prevention and risk reduction

10.2. Ongoing Programs and Campaigns to Prevent Dating Violence, Domestic Violence, Sexual Assault and Stalking

Students and Employees: Each trimester, GCNYC will send out an informational webinar about campus safety including crime prevention and risk reduction, preventing dating violence, domestic violence, sexual assault, stalking and drug and alcohol abuse prevention to all students, staff and faculty. This video will also be available year-round at www.gcnyc.edu. Other materials with related information are also available on the website.

Employees: All College employees are required to complete an annual sexual harassment prevention online training course.

11. Safe & Positive Options for Bystander Intervention

11.1. Bystanders play a critical role in the prevention of sexual and relationship violence. They are "individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it."¹ We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list² of some ways to be an active bystander. Further information regarding bystander intervention may be found. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

¹ Burn, S.M. (2009). A situational model of sexual assault prevention through bystander intervention. *Sex Roles*, 60, 779-792.

² Bystander intervention strategies adapted from Stanford University's Office of Sexual Assault & Relationship Abuse

1. Watch out for your friends and fellow students/employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
2. Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

12. Risk Reduction

12.1. With no intent to victim blame and recognizing that only abusers are responsible for their abuse, the following are some strategies to reduce one's risk of sexual assault or harassment (taken from Rape, Abuse, & Incest National Network, www.rainn.org)

1. **Be aware** of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
2. Try to **avoid isolated areas**. It is more difficult to get help if no one is around.
3. **Walk with purpose**. Even if you don't know where you are going, act like you do.
4. **Try not to load yourself down** with packages or bags as this can make you appear more vulnerable.
5. **Make sure your cell phone is with you** and charged and that you have cab money.
6. **Don't allow yourself to be isolated** with someone you don't trust or someone you don't know.
7. **Avoid putting music headphones in both ears** so that you can be more aware of your surroundings, especially if you are walking alone.
8. **When you go to a social gathering, go with a group of friends**. Arrive together, check in with each other throughout the evening, and leave together. Knowing where you are and who is around you may help you to find a way out of a bad situation.
9. **Trust your instincts**. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
10. **Don't leave your drink unattended** while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.
11. **Don't accept drinks from people you don't know or trust**. If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
12. **Watch out for your friends, and vice versa**. If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.
13. **If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.)**. Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).

14. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
 - i. **Remember that being in this situation is not your fault.** You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
 - ii. **Be true to yourself.** Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
 - iii. **Have a code word with your friends or family** so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
 - iv. **Lie.** If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.
15. **Try to think of an escape route.** How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
16. **If you and/or the other person have been drinking,** you can say that you would rather wait until you both have your full judgment before doing anything you may regret later.

13. Monitoring and Recording of Criminal Activity by Students at Non-Campus Locations of Recognize Student Organizations

- 13.1. Glasgow Caledonian New York College does not have any student organizations that own or control non-campus facilities. Therefore, local law enforcement is not used to monitor and record criminal activity since there are no non-campus locations of student organizations.

14. Geographic Definitions

- 14.1. Glasgow Caledonian New York College was founded by Glasgow Caledonian University (Scotland) which is the flagship campus which owns and controls schools in multiple locations. GCNYC reported statistics refer specifically to Glasgow Caledonian New York College and do not include information from Glasgow or any other GCU campuses or partner campuses. For our annual Federal Campus Security Report, GCNYC defines its campus geography as follows:

- i. On-Campus: The Main and lower-level of 64 Wooster Street

- ii. Non-campus: Any additional facilities rented or controlled by GCNYC for the purposes of the delivery of classes or required student activities. These locations are only considered as part of our report during such times as GCNYC is actively using the site.
- iii. Public Property: For our reporting purposes, the only public property which the GCNYC campus abuts is Wooster Street between Broome Street and Spring Street. The report includes reports of crime occurring on the street and either sidewalk.

14.2. For reporting to NYSED in compliance with Education Law article 129-B, geographic boundaries will not be used. Reporting will be based on the status of a reporting individual or Respondent being enrolled as a student of GCNYC.

15. Crime Statistics for 2019, 2020 and 2021

15.1. Crime statistics were obtained from the New York City Police Department (NYPD) and the GCNYC Title IX Coordinator.

15.2. Note: Crime statistics from the NYPD were unavailable by the initial time of publishing in October 2022. This report has been updated since receiving the statistics and this report was updated on December 19th, 2022. When provided the statistics, the NYPD did not include crime statistics for Public Property in 2021. These sections are noted as NA (Not Available).

GCNYC does not have a traditional “campus.” Our campus is located on the ground floor and lower level of an office building located at 64 Wooster Street.

Note: GCNYC does not have non-campus facilities or lease other facilities for short-term use. GCNYC does not have any student housing or on or off campus residential facilities.

The Daily Crime Log will present information about crimes without information that may in any way violate the confidentiality of any individual.

17. Underage Drinking Policy

17.1. As GCNYC offers only postgraduate degrees, we do not anticipate that we will admit any students who are beneath the state drinking age. However, all state and federal laws, including the drinking age, will be fully enforced. Additionally, the GCNYC Code of Student Conduct considers this a Major Offense.

18. Smoke Free Campus

- 18.1.** In alignment with New York State and GCNYC policy, smoking is not permitted anywhere on the GCNYC campus.

19. Alcohol and Drug Policy

- 19.1.** The possession, sale or the furnishing of alcohol on campus is governed by GCNYC's alcohol policy and New York State law. Alcohol is prohibited on campus except in the case of approved events where the sale and service of alcohol is being conducted by the College and/or an affiliated organization in accordance with College policy and State Law. Alcohol policies and applicable federal and state laws and regulations are strictly enforced by Campus Safety and Security.

- 19.2.** Prohibited behaviors involving alcohol include, but are not limited to: use, sale, distribution, and possession; use, display or possession of any paraphernalia associated with alcohol; use of alcohol that leads to impairment and disorderly, destructive, or violent behavior to self or others; and, students under the age of 21 being in the presence of alcohol in the residence halls. The possession, sale, manufacture, or distribution of any controlled substance is illegal under Federal, State and Local law. GCNYC strictly enforces all applicable laws and policies.

- 19.3.** Prohibited behaviors involving drugs, controlled substances, related synthetic materials, and related paraphernalia (including altered or constructed devices used to conceal or consume) include, but are not limited to: use, possession, display, distribution, sale, and being under the influence. Prohibited behaviors involving look-alike drugs include, but are not limited to: possession, consumption, distribution, use, and forcing another to ingest "imitation drugs" or synthetic materials that are either not intended for human consumption or used to produce effects similar to an illegal drug or a substance or drug being used for an unintended purpose (e.g., synthetic cannabis, herbal incense, and or herbal smoking blends, Whip-it and other similar products).

Students and employees that violate policy or law are subject to College disciplinary action, criminal prosecution (under the NYS Penal Law; Article 220 - Controlled Substances Offenses, and/or NYS Penal Law; Article 260 - Offenses Relating to Children, Disabled Persons, Vulnerable Elderly Persons), fine and imprisonment.

Please see the Federal and New York State Drug Trafficking Penalties in Appendix E and the Commonly Used Drugs Chart including uses and effects in Appendix F.

- 19.4.** Disciplinary Sanctions for Students

Incidents are considered a violation of the Code of Student Conduct and subject to both College disciplinary procedures up to and including expulsion and criminal prosecution.

19.5. Disciplinary Sanctions for Employees

Any violation of this policy will result in disciplinary action, up to and including termination, and may have legal consequences.

19.6. Drug and Alcohol Abuse Prevention Information

Statement on Self-Reporting and Bystander Intervention (Good Samaritan):

GCNYC students are expected to be aware of their health and safety and to be bystanders who help fellow students when their health and safety is in danger. When a person's health or safety is threatened due to consumption of alcohol, unlawful drugs, controlled substances and/or other synthetic materials, domestic violence, dating violence, sexual assault or stalking, immediate actions should be taken. This includes alerting medical personnel, campus security, or an appropriate College official. In all cases, the incident will be documented. When determining the appropriate response in the conduct process, the College will consider actions taken by any student who seeks assistance on their own behalf or the behalf of another student experiencing a medical emergency related to consumption of alcohol, unlawful drugs, controlled substances and/or other synthetic materials. In some cases, disciplinary sanctions may be reduced. This practice does not preclude action by Campus Safety or other legal authorities.

19.7. Alcohol and Drug Abuse Education Programs

At each New Student Induction, GCNYC will present information designed to prevent the illicit use of drugs and abuse of alcohol by students and employees. The presentation will include services related to drug use and abuse of alcohol.

The College will annually disseminate written informational materials annually to both students and employees. These written materials include information on the College's standards of conduct, disciplinary sanctions for violations of the standard of conduct, possible legal sanctions and penalties, health risks associated with alcohol and drug abuse, educational programming available to students, staff and faculty, counseling services, and referrals.

19.8. Health Risks: Drug and Alcohol Abuse (referenced from the National Institute of Health-NIH)

- Alcohol: Ethyl alcohol, or ethanol, is an intoxicating ingredient found in beer, wine, and liquor. Alcohol is produced by the fermentation of yeast, sugars, and starches. It is a central nervous system depressant that is rapidly absorbed from the stomach and small intestine into the bloodstream.
- Alcohol affects every organ in the drinker's body and can damage a developing fetus. Intoxication can impair brain function and motor skills; heavy use can increase risk of certain cancers, stroke, and liver disease. Alcoholism or alcohol dependence is a diagnosable disease characterized by a strong craving for alcohol, and/or continued use despite harm or personal injury. Alcohol abuse, which can lead to alcoholism, is a pattern of drinking that results in harm to one's health, interpersonal relationships, or ability to work.
- Drug addiction is a brain disease. Although initial drug use might be voluntary, drugs of abuse have been shown to alter gene expression and brain circuitry, which in turn affect human behavior. Once addiction develops, these brain changes interfere with an individual's ability to make voluntary decisions, leading to compulsive drug craving, seeking and use.
- The impact of addiction can be far reaching. Cardiovascular disease, stroke, cancer, HIV/AIDS, hepatitis, and lung disease can all be a result of drug abuse. Some of these effects occur when drugs are used at high doses or after prolonged use; however, some may occur after just one use.

20. Reporting Individual Support

20.1. Beyond Code of Conduct Policies and Procedures, reporting individuals (students, employees, or members of the community) of sexual assault, domestic violence, dating violence and/or stalking will be made aware of supporting resources. In compliance with the standards established by the Violence Against Women Act (VAWA) and Education Law article 129, GCNYC will provide written notification to reporting individuals with information on their rights, options and available resources including counseling, health, mental health, victim advocacy, legal assistance, student financial aid and other services for victims. This document can be found in Appendix A and is available in hard copy from the Title IX Coordinator. Contact titleixcoordinator@gcu.ac.uk.

21. Protective Measures and Accommodations for Reporting Individuals and Respondents

21.1. Upon receipt of a report or formal complaint of sexual misconduct or violence (including sexual assault, domestic violence, dating violence and/or stalking,) the College, through the Title IX Coordinator, will promptly contact the reporting individual to discuss the availability of supportive measures, consider the reporting individual's wishes with respect to supportive measures, provide written notification to the reporting individual of the availability of supportive measures with or without the filing of a formal complaint, and explain to the reporting individual the process for filing a formal complaint.

These supportive measures may include changes to academic, living, transportation and working situations or protective measures. They are designed to restore or preserve equal access to the College's educational and working programs or activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties and the broader College community, or deter sexual harassment. While a supportive measure may impose some restrictions on a party, it will not unreasonably burden them. The College may provide supportive measures to the reporting individual or respondent, as appropriate, as reasonably available, and will do so without fee or charge, regardless of whether the complainant seeks formal disciplinary action. Once supportive measures are approved, the parties or affected individuals will be notified in writing of the supportive measures. The College will maintain any supportive measures provided to the reporting individual or respondent as confidential to the extent possible.

21.2. Protective measures and accommodations may include:

- i. counseling;
- ii. extensions of deadlines or other course-related/academic adjustments;
- iii. modifications of work or class schedules;
- iv. modifications to mode of attending work or class (virtual or on campus);
- v. campus escort services;
- vi. mutual restrictions on contact between the parties;
- vii. leaves of absence;
- viii. increased security and monitoring of certain areas of the campus; and/or
- ix. any other measure that can be used to achieve the goals of this policy.

21.3. Requests for supportive measures may be made by or on behalf of the reporting individual or respondent to any College official, including the Title IX Coordinator. The Title IX Coordinator is responsible for ensuring the implementation of supportive measures and coordinating the College's response with the appropriate offices on campus.

21.4. All individuals are encouraged to report concerns about the failure of another to abide by any restrictions imposed by a supportive measure. The College will take immediate

action to enforce a previously implemented measure and disciplinary sanctions can be imposed for failing to abide by a College-imposed measure.

22. Policy Against Sexual Misconduct and Violence

22.1. GCNYC prohibits the offenses of domestic violence, dating violence, sexual assault, stalking, Title IX sexual harassment, quid pro quo sexual harassment and other forms of sexual violence. These incidents are considered a violation of the Code of Student Conduct (8.4.2). In keeping with this commitment, GCNYC has taken steps to help prevent and respond to sexual discrimination, relationship violence, sexual assault and other forms of sexual misconduct. These steps include thoughtful procedures for reporting and investigating incidents; educational programs; access to internal and external resources; and compliance with federal and state laws.

23. Sex Offender Registry

23.1. The federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, requires institutions of higher education to issue a statement advising the campus community where to obtain law enforcement agency information provided by a state concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, volunteers services or is a student. Information regarding a registered sex offender can be obtained by calling: New York State Sex Offender Registry Information Line at: 1-800-262-3257 or accessing it online at <https://www.criminaljustice.ny.gov/nsor/>.

23.2. Callers to the sex offender registry must be 18 years old and must provide their name, address and telephone number in order to request information. The Information Line is open Monday through Friday, from 8:00 am to 5:00 pm. To learn the status of an individual, callers must provide the individual's name and at least one of the following identifiers: the individual's street address and apartment number, driver's license number, social security number or birth date. A physical description is helpful but is not required. To use the online link, the person inquiring must provide his/her name and address to access information about the registered sex offenders. Nationwide information is available through the Department of Justice at: www.nsopr.gov.

APPENDICES

24. Appendix A: Procedures Victims Should Follow if a Crime of Sexual Assault, Domestic Violence, Dating Violence & Stalking Occurs

Procedures Victims Should Follow if a Crime of Sexual Assault, Domestic Violence, Dating Violence & Stalking Occurs (VAWA & CLERY ACT WRITTEN NOTIFICATION)

If you or someone you know has been hurt by sexual assault, domestic violence, dating violence, or stalking, **GCNYC is here to help. You have the right to learn, and/or work in a safe and welcoming environment.** Violence is unacceptable, and College policy prohibits sexual assault, domestic violence, dating violence, and stalking. This document outlines steps to take depending on what services you want or need.

Your immediate and long-term safety is priority. The resources and options outlined below may be helpful as you decide what next steps are a good fit for you.

WHAT TO DO & HOW TO REPORT TO LAW ENFORCEMENT

- Get to a safe place. (For example, someone's home, the nearest hospital, or police precinct.) If you are the victim of assault and/or violence, the most important step is to get yourself to a place of safety to determine what courses of action you need to take
- Call 911 to be taken to an emergency room for medical care and/or for immediate police protection and assistance. A complete medical evaluation will include a physical examination, treatment, evidence collection, and counseling. Remember, you will not be made to do anything you do not want to do and may decline any part of the evaluation.
- If you have been sexually assaulted, it is important to seek medical care, especially if you have been physically injured. Even if you do not have any visible physical injuries from the assault, there may be physical injuries that you cannot see, and medical and health centers can provide additional services such as testing for sexually transmitted diseases and emergency contraception.
- When you call 911, explain what has happened and request to be sent to an emergency department that is a certified SAFE Center of Excellence. See below for more information and a list of hospitals in New York City with SAFE Centers
- To speak to a specialist about sex crimes, call the NYPD at 1-212-267-RAPE (7273)

- If you have information about a crime you would like to report, call 1-212-567-TIPS (8477)
- If you so choose, GCNYC can assist you in notifying the appropriate local law enforcement.
- You also have the right to decline to notify law enforcement. If you choose not to notify the police, please know that you will still have access to all the forms of support and assistance listed below.

HOW TO REPORT TO CAMPUS AUTHORITIES

- Should you wish to formally report a crime to GCNYC, please contact the Title IX Coordinator, Jessica Chang-Russell at titleixcoordinator@gcu.ac.uk. A Campus Security Authority can also file a report for you.
- Please know that reporting to GCNYC is not the same as notifying law enforcement. GCNYC is required to disclose that a crime has occurred but is not required to report names.

IMPORTANCE OF PRESERVING EVIDENCE

- Do not change clothes, bathe, douche, or brush your teeth. This is important for the evidence collection process that will occur at the hospital.

- If you seek to place a report with the police or press charges, it is best for evidence collection to occur within 96 hours so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order
- Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to College adjudicators/investigators or police.
- Evidence collection does not require you to place a report with the police or press charges, but preserves evidence if you wish to place a report or press charges in the future.
- As time passes, evidence may dissipate or become lost or unavailable, thereby making investigation, possible prosecution, disciplinary proceedings, or obtaining protection from abuse orders related to the incident more difficult. If a victim chooses not to make a complaint regarding an incident, he or she nevertheless should consider speaking with Campus Public Safety or other law enforcement to preserve evidence in the event that the victim decides to report the incident to law enforcement or the College at a later date to assist in proving that the alleged criminal offense occurred or that may be helpful in obtaining a protection order.
- Additional Important and helpful information is available from RAINN (Rape And Incest National Network): <https://rainn.org/get-information/aftermath-of-sexual-assault/preserving-and-collecting-forensic-evidence>
- If you are the victim of stalking, please keep all emails, texts, and any other methods of contact.

CONFIDENTIALITY, ACCOMMODATIONS & PROTECTIVE MEASURES

- GCNYC will take every step to keep your information private.
- Your confidentiality will be respected in any discussions you have with GCNYC staff.
- GCNYC will not share personally identifiable information about a reporting individual in any public notification or publicly available recordkeeping including Clery Act reporting and disclosures.
- While GCNYC is legally required to report that a crime occurred and to warn others if a danger is posed, these reports will never provide any details which could reveal your identity.

- The GCNYC Title IX Coordinator will take action to assist you with any reasonable accommodations and protective measures you might require, including academic accommodations; working accommodations; or other additional necessary measures. They are designed to restore or preserve equal access to the College's educational and working programs or activities without unreasonably burdening the other party, including measures designed to protect the safety of all parties and the broader College community, or deter sexual harassment. While a supportive measure may impose some restrictions on a party, it will not unreasonably burden them. The College may provide supportive measures to the reporting individual or respondent, as appropriate, as reasonably available, and will do so without fee or charge, regardless of whether the complainant seeks formal disciplinary action. Once supportive measures are approved, the parties or affected individuals will be notified in writing of the supportive measures. The College will maintain any supportive measures provided to the reporting individual or respondent as confidential to the extent possible.

Protective measures and accommodations may include:

- counseling;
- extensions of deadlines or other course-related/academic adjustments;
- modifications of work or class schedules;
- modifications to mode of attending work or class (virtual or on campus);
- campus escort services;
- mutual restrictions on contact between the parties;
- leaves of absence;
- increased security and monitoring of certain areas of the campus; and/or
- any other measure that can be used to achieve the goals of this policy.

Requests for supportive measures may be made by or on behalf of the reporting individual or respondent to any College official, including the Title IX Coordinator. The Title IX Coordinator is responsible for ensuring the implementation of supportive measures and coordinating the College's response with the appropriate offices on campus.

All individuals are encouraged to report concerns about the failure of another to abide by any restrictions imposed by a supportive measure. The College will take immediate action to enforce a previously implemented measure and disciplinary sanctions can be imposed for failing to abide by a college-imposed measure.

- The College will maintain any supportive measures provided to the reporting party or respondent as confidential to the extent that maintaining such confidentiality would not impair the ability to provide such accommodations or protective measures.

RIGHTS OF REPORTING INDIVIDUALS

New York State Student Bill of Rights

In accordance with New York State Education Law, Article 129-B, also known as Enough is Enough, the following is the list of rights students can expect when reporting or responding to sexual offenses and relationship violence at GCNYC:

All students have the right to:

- Make a report to local law enforcement and/or state police;
- Have disclosures of domestic violence, dating violence, stalking, and sexual assault treated seriously;
- Make a decision about whether or not to disclose a crime or violation and participate in the judicial or conduct process and/or criminal justice process free from pressure by the institution;
- Participate in a process that is fair, impartial, and provides adequate notice and a meaningful opportunity to be heard;
- Be treated with dignity and receive from the institution courteous, fair, and respectful health care and counseling services, where applicable;
- Be free from any suggestion that the reporting individual is at fault when these crimes and violations are committed or should have acted in a different manner to avoid such crimes or violations;
- Describe the incident to as few institution representatives as practicable and not be required to unnecessarily repeat a description of the incident;
- Be protected from retaliation by the institution, any student, the accused, and/or the respondent, and/or their friends, family, and acquaintances, within the jurisdiction of the institution;
- Access at least one level of appeal of a determination;

- Exercise civil rights and practice of religion without interference by the investigative, criminal justice, or judicial or conduct process of the institution.

New York State Crime Victims Bill of Rights

Victims of crimes in New York State have the following rights:

- A free copy of the police report, even if there was no physical injury.
- Payment waiver of fees for replacing a driver's license, permit, registration and license plates which were lost or stolen as a result of a crime.
- Have law enforcement and the District Attorney inform employers that the criminal case may require work absences. They can also explain the circumstances of the crime to creditors.
- Not to be penalized by an employer when appearing as a witness in a criminal

proceeding, consulting with prosecutors or exercising other rights under the law. A violation of this law by an employer is a B misdemeanor. Employers, however, may withhold wages in these situations.

- File for victim compensation and assistance with the New York State Office of Victim Services. Victims of physical injury or relatives of murder victims are entitled to out-of-pocket expenses incurred as a result of the crime. These expenses may include the repair or replacement of damaged property, loss of earnings or support, medical and counseling bills, crime-scene cleanup or funeral expenses. Crime victims may also be eligible for transportation expenses incurred for necessary court appearances. Kidnapping, stalking and unlawful imprisonment victims may be eligible for an award to cover loss of earnings or support, unreimbursed costs for counseling, rehabilitative training and the costs of damaged essential personal property and security devices. Claims must be filed within one year of the crime or within one year of the victim's death. You can obtain a claim form from the police, the District Attorney, a hospital emergency room, the Office of Victim Services or from the Office of the Attorney General. Assistance is also available from other programs such as rape crisis centers and domestic violence and child abuse programs. Ask the District Attorney's office for referrals.
- Be notified of criminal proceedings. Victims who provide a current address and telephone number to the District Attorney have the right to be notified of the accused's: arrest; first appearance before a judge; release from jail while the criminal proceeding is pending; entry of a guilty plea, trial and sentencing; maximum and minimum terms of imprisonment if the offender is sentenced to prison and parole hearing date.
- Freedom from intimidation, threats or harassment. Intimidating a victim or a witness is a felony, apart from any charges the accused may already face. If you are threatened or your property is damaged by anyone connected to your case, you should contact the District Attorney's office and law enforcement immediately.
- Notice of discharge, release or escape of offender from a correctional facility. The District Attorney has a form to be completed in order to stay informed. The New York Victim Information and Notification Everyday (VINE) system provides up to date information about the custody status of offenders via the telephone or internet. Crime victims and other New Yorkers can call 888-VINE-4NY (888-846-3469) or go to www.vinelink.com to secure information about incarcerated defendants. By providing an inmate's identification number or date of birth, which you can obtain from the District Attorney, you can learn sentencing and release information. You may also register with VINE for automatic notification by telephone when the inmate is released.

25. Appendix B: Code of Student Conduct

25.1. Introduction

This Code of Student Conduct (“the Code”) applies to all students. GCNYC believes that effective learning and teaching is best achieved in an ordered and disciplined environment. The Code seeks to ensure that student discipline is maintained in a manner that promotes fair and equitable treatment of all students. The Code is non-contractual and Glasgow Caledonian New York College (“the College” and “GCNYC”) reserves the right to digress from it, alter it or withdraw it any time.

One of the purposes of this Code is to help and encourage students to achieve and maintain standards of conduct required by the College. It is essential that all students comply with these standards and understand that if they fail to do so this is likely to lead to action by the College. The Code also outlines the action that will be taken when those standards are not met.

We therefore recognize the importance of attempting to resolve issues concerning unsatisfactory conduct within the College and we will take all measures to do so.

25.2. Application of the Code

This Code is not intended to create rights beyond our legal obligations.

All students of the College are subject to the jurisdiction of the Vice President & Provost of GCNYC in respect of their conduct.

The Vice President & Provost, through the Title IX Coordinator, has overall responsibility for the application of the Code.

25.3. Circumstances in which the Code will apply

GCNYC will apply the procedures set out in this Code if it contemplates taking disciplinary action against a registered (or previously registered) student (unless the College, in its sole discretion, decides that it is inappropriate to do so).

The Code also applies to any offenses committed in another institution which students attend as part of a College course such as external secondments, placements, field trips, residential trips, etc. or part of any reciprocal agreement with another institution and/or when committed by any students to and/or on any “College Property.” This includes any property and/or premises owned or controlled by the College or to which access has been gained through membership of the College, including but not restricted to student services provided by another institution, athletic facilities, halls of residence, or other institutions providing services or facilities to students on behalf of, and in agreement with, GCNYC.

25.4. Policy for Alcohol/Drug Use Amnesty

The health and safety of every student at GCNYC is of utmost importance. GCNYC recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time that an offense, including but not limited to domestic violence, dating violence, stalking, or sexual assault occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. GCNYC strongly encourages students to report domestic violence, dating violence, stalking or sexual assault to institution officials.

Any student acting in good faith that discloses any incident of domestic violence, dating violence, stalking, or sexual assault to GCNYC's officials or law enforcement will not be subject to disciplinary action under the Code for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the domestic violence, dating violence, stalking, or sexual assault.

GCNYC's full Drug and Alcohol Policy and Drug and Alcohol Abuse Prevention Information can be found in the Campus Safety section of the College Catalog.

25.6. Procedures

Preliminary Review

Upon receiving a report of or otherwise learning of an alleged violation of the Code of Student Conduct or other College policy, the Title IX Coordinator will present the information to the Select Disciplinary Committee to determine the most appropriate course of action. The Select Disciplinary Committee (SDC) will determine whether an informal frontline resolution is appropriate or if the launch of a full investigation is required. The SDC will then present their decision to the Title IX Coordinator.

If the SDC determines that an informal resolution is appropriate, the Director of Academic Engagement will be notified and they, along with the Title IX Coordinator will determine an appropriate frontline resolution.

If the SDC determines that a full investigation is necessary, the Vice President & Provost will be notified and the Title IX Coordinator or their designee will proceed with the investigation.

If the alleged violation is related to dating violence, domestic violence, sexual assault, Title IX Sexual Harassment or stalking, the Title IX Coordinator will determine whether there is reasonable belief that a policy has been violated and determine if they will conduct an investigation.

Investigation

Prior to any disciplinary action being taken, the allegation(s) will be investigated by the Title IX Coordinator, who will forward evidence, as appropriate, to the Select Disciplinary Committee.

Any cases of alleged dating violence, domestic violence, sexual assault, Title IX Sexual Harassment or stalking will use a separate investigation procedure conducted by the Title IX Coordinator.

Except in cases of student interim suspension as described below, the Title IX Coordinator will normally deliver the findings of their investigation to the Select Disciplinary Committee within 21 days. The SDC shall normally convene within 28 days of notification of the allegations to determine whether the alleged offense occurred and to take further action in accordance with the code.

i. Meeting with Reporting Party

The Title IX Coordinator or a designee may meet with the reporting party to review the complaint and request additional information. The Title IX Coordinator or a designee may also meet with other members of the GCNYC community who may have information to share in relation to the complaint. The reporting party will be given a copy of GCNYC's Code of Student Conduct and and/or any other relevant policies and procedures.

ii. Notification to Responding Party

The Title IX Coordinator or a designee will notify the responding party in writing as to the receipt of the complaint, the opportunity to respond to the complaint, and the need to meet with the Title IX Coordinator or a designee. Upon meeting with the Title IX Coordinator or a designee, the reporting party will be given access to GCNYC's Code of Student Conduct and/or any other relevant policies and procedures. Prior to the disciplinary hearing, the Respondent will receive a copy of all relevant evidence presented to the Select Disciplinary Committee, which will be referred to during the hearing.

iii. Records

Where an alleged Offense has occurred, the Title IX Coordinator will consult records to ascertain if the student has a previous offense recorded on the central register of student disciplinary offenses. Where a previous offense has been recorded the second/subsequent offense will then be reported to the SDC for consideration.

Interim Suspension

GCNYC reserves the right to suspend students on an interim basis from GCNYC property, programs, and functions pending the outcome of a disciplinary review, where there is reasonable cause to believe the student's alleged behavior or continued presence at the institution poses a danger to the health, safety, or general welfare of the GCNYC community. The Vice President & Provost shall have the authority to suspend the student. Where a student has been suspended, the Title IX Coordinator will conduct the investigation and provide their findings to the Select Disciplinary Committee within 14 days. This timescale may be modified if the allegations are complex and/or involve detailed investigation and/or a number of witnesses.

25.7. No-Contact Orders, Other Interim Measures, and Orders of Protection

In issues where there is a reporting individual and a Respondent, the Vice President & Provost, on the recommendation of the Title IX Coordinator, has the right to issue a No-Contact Order or implement other interim measures.

Under a No-Contact Order, the Respondent is to have no contact with the reporting person, in person, by voice technology or electronic communication. Should both parties appear in the

same public space, it is the responsibility of the Respondent to depart. In the event that a “No Contact Order” is issued, the Select Disciplinary Committee must convene within 7 days to determine whether the order is to be extended and for how long or to rescind the order.

The need to assess no-contact orders and any other interim measures will be made by a Title IX Coordinator based on a review of the available information and after talking with both the reporting party and the responding party. Both parties are entitled to request a prompt review of the need for, terms of, or potential modification of any interim measure, and both parties are entitled to submit evidence in support of their request.

Members of the GCNYC community may also contact the New York Police Department to file an order of protection. While GCNYC cannot make this request directly, GCNYC can assist a member of the GCNYC community in contacting the police and requesting an order of protection.

The reporting and responding parties have the right to receive a copy of any order of protection or equivalent received by GCNYC, as well as the opportunity to meet or speak with the Title IX Coordinator about the order including information from the order about the responding party’s responsibility to stay away from the protected person or persons, as well as an explanation of the consequences for violating the order such as arrest, additional conduct charges, and interim suspension. The person or persons protected by the order have the right to receive assistance from GCNYC in contacting local law enforcement in effecting an arrest for violating the order.

Violation of No Contact Orders

Willful or repeated violations of “No Contact Orders” will be considered a threat to the health and safety of the community and will result in suspension by the Vice President & Provost, pending the outcome of disciplinary proceedings. Individuals wishing to appeal such suspensions must do so by submitting a written appeal to the Vice President & Provost for GCNYC.

Respondent Withdrawal during Investigation

If a Respondent withdraws from the College while an investigation is in process, or if a Respondent chooses not to re-enroll, if an investigation overlaps more than one term, the Respondent has the right to request a completion of the investigation and the entire process including all appeals. An individual who completes the process agrees to be subject to the appropriate penalties if such are determined by the Select Disciplinary Committee.

Disciplinary Hearing and Evidence and Procedures

The student must take all reasonable steps to attend meetings at which they are requested to be present. If the student is unable to attend a meeting, they must explain this immediately and in advance to the person who invited them to the meeting or the person who is conducting the meeting.

For any disciplinary meeting, the timing and location of meetings will be reasonable, and the meetings will be conducted by the Select Disciplinary Committee in a manner that allows both parties to explain their respective cases. The Select Disciplinary Committee has the right to call for all relevant information including the right to call and hear witnesses and can take any necessary step under the procedures listed below without unreasonable delay:

- i. The Vice President & Provost for GCNYC shall not be a member of the Select Disciplinary Committee.

Any documentation, submissions or witness statements should be delivered to the Title IX Coordinator in advance of the hearing either by hand, recorded delivery or electronically with a signature.
- iii. At the meeting, the Respondent will have the right to be accompanied at the meeting by a chosen representative. The Respondent should advise the Title IX Coordinator who their representative will be in advance of the disciplinary hearing. The representative will be able to make submissions and ask questions on behalf of the Respondent but is not permitted to answer questions for the Respondent.
- iv. The Select Disciplinary Committee may adjourn the disciplinary hearing and delay making a decision where it is decided that further investigation into the allegations is required.
- v. All information obtained during the conduct of the Select Disciplinary Committee's process will be treated as confidential and protected from public release until such time as all appeal possibilities have been exhausted and a final resolution has been reached, unless otherwise required by law.

Composition of the Select Disciplinary Committee

The composition of the Select Disciplinary Committee shall be a Chair and 2 members appointed as follows:

- i. A chair, to be appointed by the GCNYC Academic Board, will hold office for one academic year.

The Title IX Coordinator shall have powers to prepare orders for the regulation of the proceedings and business of the Select Disciplinary Committee.

25.8. Penalties

The Vice President & Provost will communicate the written decision to the student within seven days of the hearing of the disciplinary matter.

All Offenses and resultant penalties will be recorded using the Disciplinary Offenses Records Form. The Title IX Coordinator shall ensure that a Records Form is completed, signed and a copy given to the student. The original Records Form will be retained in a separate file by the Vice President & Provost.

The Select Disciplinary Committee may impose one or more of the following penalties:

Thereafter, the Title IX Coordinator will issue formal notification of the decision of the Select Disciplinary Committee within seven days of the decision being taken. Where that decision involves suspension or expulsion the formal notification shall be signed by the Chair of the Committee. Where the decision does not involve

suspension or expulsion the Respondent will be advised of the improvements required in their conduct (if appropriate), the duration of any disciplinary warning and the potential consequences of any repetition of the Offense and/or commission of another disciplinary offense.

For crimes of violence, including but not limited to sexual violence, defined as crimes that meet the reporting requirements pursuant to the Federal Clery Act, Respondents will have a notation on their transcript: "Expelled after a finding of responsibility for a Code of Student Discipline violation."

If the Respondent withdraws while conduct charges are pending, the transcript will include the notation: "Withdrew with conduct charges pending" (unless the Respondent requests that the investigation is completed)

25.9. Appeals: Frontline Resolutions

The Select Disciplinary Committee shall hear appeals against frontline resolution decisions. Respondents have a right of appeal against decisions of the Title IX Coordinator and the Director of Academic Engagement. Should a Respondent fail to comply with the decision of the Title IX Coordinator and the Director of Academic Engagement or the decision of the Select Disciplinary Committee in the case of an appeal against a decision of the Title IX Coordinator and the Director of Academic Engagement, this will constitute as an additional Offense.

An appeal may be considered on the following grounds:

- i. Evidence is now available which was not or could not reasonably have been made available to the Title IX Coordinator and the Director of Academic Engagement at the time of the disciplinary hearing.
- ii. The decision of the Title IX Coordinator and the Director of Academic Engagement was unreasonable in the light of the evidence submitted and/or was unduly harsh and oppressive in relation to the Offense.
- iii. There was procedural irregularity or inadequacy in the conduct of the investigation of the Offense carried out by the Title IX Coordinator and the Director of Academic Engagement.

The appeal to the Select Disciplinary Committee against the decision of the Title IX Coordinator and the Director of Academic Engagement must be in writing and must be lodged with the Title IX Coordinator within 14 days of the date of the formal notification of the original decision. The Respondent must send any written documentation or submission in relation to the appeal either by hand, recorded delivery or electronic delivery with signature at the same time as lodging their written grounds for appeal.

All appeals shall be given preliminary consideration by the Chair of the Select Disciplinary Committee and by the Vice President & Provost who shall be empowered to act on behalf of the Select Disciplinary Committee in determining whether an appeal is competent or to dismiss appeals that are incompetent.

The decision of the Select Disciplinary Committee in such appeals shall be final and not subject to appeal.

25.10. Appeals: Investigated Offenses

All Respondents found in violation of an Offense by the Select Disciplinary Committee shall have the right of appeal to the Vice President & Provost.

An appeal may be considered on any of the following grounds:

- i. Evidence is now available, which was not or could not reasonably have been made available to the Select Disciplinary Committee at the time of the original hearing.

- iii. There was procedural irregularity in terms of the regulations set out in the Code of Student Discipline which resulted in the student being significantly disadvantaged.

The Title IX Coordinator shall communicate in writing the details of this right to the student at the same time as formal notification of the disciplinary decision is made to the student.

Any appeal to the Vice President & Provost of GCNYC against the decision of the Select Disciplinary Committee must be in writing and must be lodged with the Title IX Coordinator within twenty-one days of the date recorded on the letter of formal notification of the Select Disciplinary Committee's decision. Any written documentation, witness statement or submission in relation to the appeal must be delivered to the Title IX Coordinator either by hand, recorded delivery or electronic delivery with signature at the same time as lodging their written grounds for appeal.

All appeals shall be given preliminary consideration by the Vice President & Provost for GCNYC. The Vice President & Provost shall determine whether an appeal is competent or to dismiss appeals that are incompetent.

The decision of the Vice President & Provost for GCNYC shall be final.

The Vice President & Provost for GCNYC at their own discretion may appoint a legal adviser from outside the College to be in attendance at any meeting. This legal adviser, however, must not be the same person as the legal adviser to the Select Disciplinary Committee. The Respondent shall have the right to appear in person before the Vice President & Provost to present the evidence in support of their appeal. No member of the Select Disciplinary Committee shall be present when the appeal to the Vice President is under consideration.

The Vice President & Provost shall have the right to prepare orders for the regulation of the procedure of the appeal hearing and shall have the right to uphold or reject all or part of the disciplinary decision as it deems right and appropriate. The Vice President & Provost will normally issue a written decision within 7 days of the date of the appeal hearing.

25.11. Academic Integrity

At GCNYC, a commitment to excellence, fairness, honesty, and respect within and outside the classroom is essential to maintaining the integrity of our community. By accepting membership in this community, students take responsibility for demonstrating these values in their own conduct and for recognizing and supporting these values in others. In turn, these values will create a campus climate that encourages the free exchange of ideas, promotes scholarly excellence through active and creative thought, and allows community members to achieve and be recognized for achieving their highest potential.

GCNYC expects and requires its students to adhere to the highest standards of scholarship, research and academic conduct. Essential to the process of teaching and learning is the periodic assessment of students' academic progress through measures such as papers, examinations, presentations, and other projects. Academic dishonesty compromises the validity of these assessments as well as the relationship of trust within the community. Students who engage in such behavior will be subject to review and the possible imposition of penalties in accordance with the standards, practices, and procedures of GCNYC. Violations may result in failure on a particular assignment, failure in a course, suspension or expulsion from the College, or other penalties.

Plagiarism, Ghost-Writing and Cheating

Plagiarism is defined as presenting another's work without adequate acknowledgement of its source, as though it were one's own. Plagiarism is a form of fraud. Some examples of plagiarism:

- i. a sequence of words copied from a source without quotation marks
- ii. an unacknowledged passage paraphrased from another's work
- iii. the use of ideas, sound recordings, computer data or images created by others as though it were one's own

Ghost writing is defined as the use of commissioned material, without reference or acknowledgement.

Cheating is defined as deceiving a faculty member or other individual who assess student performance into believing that one's mastery of a subject or discipline is greater than it is by a range of dishonest methods, including but not limited to:

- i. bringing or accessing unauthorized materials during an examination (e.g., notes, books, or other information accessed via cell phones, computers, other technology or any other means)
- ii. providing assistance to acts of academic misconduct/dishonesty (e.g., sharing copies of exams via cell phones, computers, other technology or any other means, allowing others to copy answers on an exam)
- iii. submitting the same or substantially similar work in multiple courses, either in the same semester or in a different semester, without the express approval of all instructors
- iv. submitting work (papers, homework assignments, computer programs, experimental results, artwork, etc.) that was created by another, substantially or in whole, as one's own

Individual faculty members will be responsible for determining whether a student has been guilty of plagiarism and to apply an appropriate penalty for any such plagiarism. Each faculty member will publish details of any penalties for plagiarism in their syllabus.

While individual faculty members will determine whether plagiarism has occurred in any particular case, plagiarism will include self-plagiarism (i.e. re-use of a student's own previous written work or data presented for assessment on a previous occasion).

Individual faculty members will also be responsible for determining whether there has been a case of ghost writing, which is considered to be an Offense. Faculty should refer any such case to the Director of Academic Engagement to be considered under the Offenses procedures.

The Select Disciplinary Committee shall be competent to hear appeals against decisions of faculty made under the College Regulations regarding Plagiarism and Cheating.

Appeal Process

An appeal may be considered on any of the following grounds:

- i. Evidence is available, which was not or could not reasonably have been made.
- ii. The decision of the academic staff was unreasonable in the light of the evidence submitted at the original investigation, and/or the decision of the academic staff was unduly harsh and oppressive in all of the circumstances.
- iii. There was procedural irregularity or inadequacy in the conduct of the investigation of the Offense carried out by the academic staff.

The Director of Academic Engagement shall communicate the details of this right to the student in writing at the same time as formal notification of the decision of the faculty is made to the student.

The Director of Academic Engagement shall advise the student that any right of appeal to the Select Disciplinary Committee must be exercised by written notice which must be lodged with the Examiner within 14 days of the date recorded on the letter of formal notification of the academic staff's decision.

All appeals shall be given preliminary consideration by the Chair of the Select Disciplinary Committee and by the Director of Academic Engagement who shall be empowered to act on behalf of the Select Disciplinary Committee in determining whether an appeal is competent or to dismiss appeals that are incompetent.

The decision of the Select Disciplinary Committee in such appeals shall be final and not subject to appeal.

25.12. Appeals of Transcript Notations

Respondents, who have a transcript notation where responsibility has been found, may appeal to the Director of Academic Engagement following the process.

Respondents who receive a transcript notation for withdrawing with conduct charges pending may not appeal the notation as there was no finding upon which to base the appeal.

25.13. Criminal Proceedings

In any case where it is considered that a person may be involved in criminal conduct, it is the duty of the Vice President & Provost who, in consultation with the Title IX Coordinator, shall report it to the appropriate authority.

For the avoidance of doubt, in cases where a police investigation or action is underway at the same time as the College's investigation or disciplinary proceedings are underway, the College may still proceed with its investigations and/or disciplinary action. However, depending on the circumstances, such investigation and/or disciplinary action may be suspended. Any decision to suspend proceedings will be made by the Vice President & Provost in consultation with the Title IX Coordinator.

25.14. Records

The College will keep a record of disciplinary proceedings, including the written statement setting out the relevant allegations or circumstances surrounding the potential disciplinary action, a central register of disciplinary Offenses, all letters sent to or by the College in relation to that, written statements and minutes of meetings and appeal meetings.

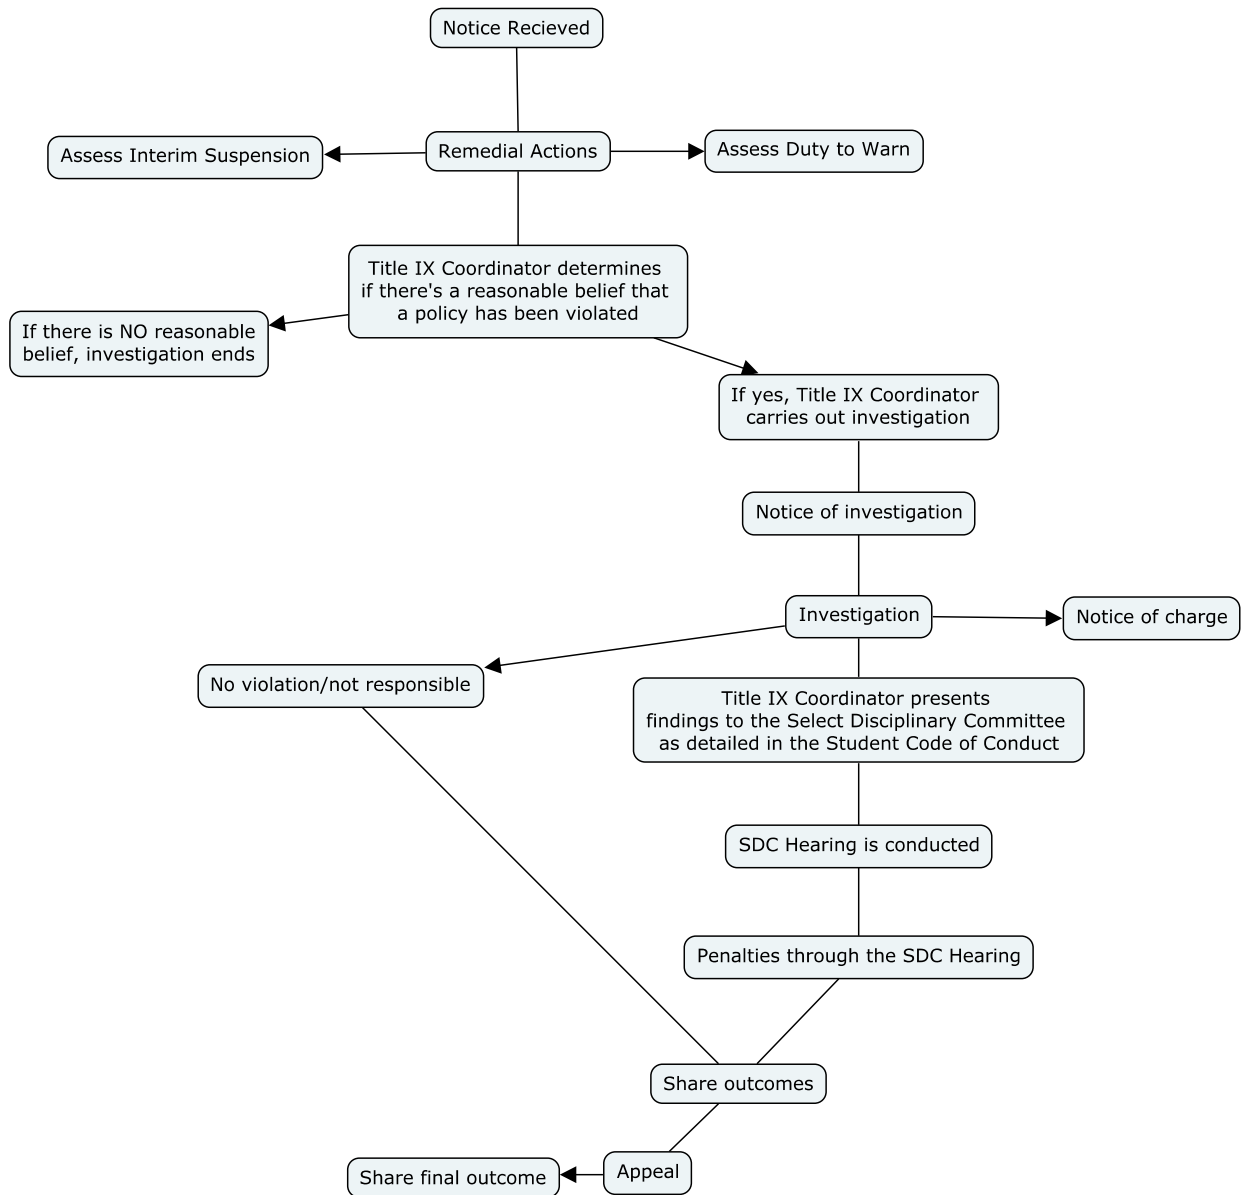

These records will be maintained in accordance with the College's obligations in terms of data protection requirements and will be retained in accordance with the College's data retention policy

25.15. Questions

Clarification on the terms of this Code can be obtained from the office of the Vice President & Provost of GCNYC or the Director of Operations, Title IX Coordinator.

30. Appendix G: Emergency Action Plan

30.1. Introduction

All employees and students should familiarize themselves with this plan and its requirements. In addition, all fire alarms are visual as well as auditory, and all fire exits are clearly indicated. For special events during which we have large numbers of attendees, we have hired fire marshals in attendance—their directions and instructions should be followed at all times. A first aid kit and defibrillator are available on the main level. Fire extinguishers are located throughout the building and the building is equipped with sprinklers.

30.2. Emergency Notifications

For instances where a significant emergency, potentially dangerous situation or immediate threat is confirmed, an Emergency Notification will be issued to all students and employees of GCNYC. (This Notification will be issued in lieu of a Timely Warning.) These include all incidents identified in the GCNYC Emergency Action Plan, but the Vice President & Provost and/or the Title IX Coordinator have the right to expand those definitions based on their own discretion. These include, but are not limited to terrorist attacks, active shooters, natural disasters, environmental phenomena, weather, or infectious disease.

The Emergency Notification upon confirmation of the report of danger, will be sent without delay. Confirmation can include and be based on information from civil authorities, public media, or direct report or witnessing of situations.

Emergency Notifications will be issued to students and staff via some combination of text message, email, web posting, in building announcements, and/or public placards. Every effort will be made to ensure that reach of the notification is comprehensive.

An Emergency Notification may be sent by the Vice President & Provost, the Title IX Coordinator or a designee who is directed in writing to assume that responsibility in their absence from campus at the required time of the Notification. The College has developed a library of potential messages to be used for Emergency Notifications.

The issuing of an Emergency Notification will be recorded as an incident in the campus' Daily Crime Log.

30.3. Testing

GCNYC facilitates testing of our Emergency Action Plans and Emergency Notification procedure at least once per year. These tests will include students, staff and faculty and may be announced or unannounced. During such tests/drills, building occupants will be re-familiarized with the College's emergency response and evacuation procedures. All tests conducted will be documented by the Title IX Coordinator or their designee and will include a description of the

exercise, the date, time and whether it was announced or unannounced.

30.4. Building Evacuation

If the fire alarm is triggered, all individuals should exit the building.

The fire alarm will be used for any threat to safety that requires evacuation of the building. Even if students or staff do not smell smoke or see flames, they are required to exit the building.

Upon exiting the building, turn left and head toward Broome Street. The meeting point will be the northwest corner of Broome and Wooster Streets:

- I. Do not remain in front of the building as Emergency Vehicles will be arriving.
- II. Do not depart until you have checked in with both GCNYC Incident Commanders, who will ensure that everyone is present after the evacuation. If you wish permission to depart, please ensure that you have informed both Incident Commanders.

If a student has important information about the incident or anyone still in the building, the student should report it immediately to one of the GCNYC Incident Commanders, who will communicate the information directly to Emergency Responders.

Once the students and staff have departed the building, no one may not re-enter until an Incident Commander, who after receiving clearance from Emergency Responders, says it is safe to return.

30.5. Seeking Shelter

If a safety threatening event occurs for which safe shelter is required, when directed, all individuals should go to the ground floor of 64 Wooster Street and remain as far to the east end as possible (inside Classroom 3).

While it is recommended that students and staff stay, they may assume the risk of departing; HOWEVER, before doing so, they must receive acknowledgement from both Incident Commanders.

30.6. Medical Emergencies

If someone should become seriously ill or injured, call or ask someone to call 911. Immediately report this to a College official. That College official will become the Incident Commander and will be the primary contact with emergency personnel. Be sure to pass on any and all relevant information to them.

30.7. Active Threat

In the event of an active threat such as an active shooter or other act of criminal violence, the College will (if safe to do so) send out a Campus Alert text message reading, “Shelter in place” or “Evacuate the building.”

College Personnel will keep you updated and/or provide further direction as they are able and as the situation warrants. At no time should students or staff/faculty accept directions from anyone other than a College Incident Commander, Campus Security Guard or Law Enforcement Personnel.

If you are on-campus during an active shooter:

- **Run. Get out and get away as quietly and quickly as possible.**
 - Evacuate regardless of whether others agree to follow
 - Leave your personal belongings behind
 - Help others escape, if possible.
 - If you can't run out, you can run away, buy time and create distance between yourself and the attacker
 - Call 911 as soon as it is safe to do so

- **Hide. If you cannot run, find a place to hide where the attacker is less likely to find you.**
 - Lock and/or barricade doors
 - Turn off lights
 - Remain quiet
 - Stay out of the attacker's view
 - Silence your cell phone
 - Hide behind large items that could protect you

- **Fight. If all else fails, and only as a last resort, attack the shooter with whatever makeshift weapons you can find (scissors, portable fire extinguishers, chairs, etc.) to disarm and disable. It is best, when possible, to work with others.**

Afterwards:

- When law enforcement arrives:
 - Remain calm and follow law enforcement personnel's instructions
 - Keep hands visible at all times
 - Avoid making quick movements towards law enforcement personnel
 - Do not stop to ask the officers for help or directions when evacuating. Just proceed in the direction from which they entered the premises.

30.8. Incident Commander Responsibilities and Actions

Incident Commanders will be the primary responsible parties for GCNYC in an emergency situation and are the primary contact for emergency personnel. Incident Commanders will:

- i. Ensure that everyone has vacated the building in an evacuation situation
- ii. Ensure that individuals exit the building in a timely manner
- iii. Ensure that all individuals are in the appropriate areas in a seek shelter situation
- iv. Ensure that everyone is accounted for

Unless otherwise communicated, the Incident Commanders will be:

From 9am-6pm:

- Vice President & Provost
- Title IX Coordinator
- If the above are unavailable, a GCNYC staff Director may assume this role

After 6pm:

- Campus Security
- or a Faculty member present on campus
